

CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

June 20, 2011

H.R. 686 **Utah National Guard Readiness Act**

As ordered reported by the House Committee on Natural Resources on June 15, 2011

H.R. 686 would authorize the Secretary of the Interior to convey 420 acres of land to the state of Utah for the Utah National Guard. Because the land is currently withdrawn from commercial mineral development for use by the Utah National Guard, CBO estimates that implementing this legislation would have no significant impact on the federal budget. Enacting H.R. 686 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

H.R. 686 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments. Enacting this bill would benefit the state of Utah.

The CBO staff contact for this estimate is Jeff LaFave. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
